

**InSkin Media named Fastest Growing
European Digital Media Company**

At the annual GP Bullhound Awards Dinner, in Barcelona on 19 May, InSkin Media won the Media Momentum Award as the Fastest-Growing Digital Media Business, 2011.

Hugo Drayton, CEO InSkin Media, commented: "This is a hugely prestigious award. I am very proud on behalf of the InSkin Media team, its partners, clients and investors. In a high-growth but very competitive market, this is significant recognition for the strength of InSkin Media's formats, brands and business, and especially for the hard work of the whole team over the past 2 years. This will help drive us to further success."
